

Wholesome Food Services is Excited to Announce An Enhanced Site and New Menu Options

Wholesome Food Services (WFS) began as a grass roots effort by volunteer parents who spent years advocating for delicious and nutritious school lunches. Our mission is to provide parents and schools with high quality lunches that kids love, along with the very best service. We partner with select Fresh-Casual and local restaurants, many of whom are Colorado based. ***The chef-inspired meals are individually prepared each morning and delivered in time for lunch.***

Your children are top priority and our Fresh-Casual restaurant partners use only high quality ingredients with delicious choices to please even the most discerning of appetites.

In Addition to Menu Favorites This Year We Are Offering Exciting New Options Such As:

- ***Wahoo's*** – New Fastbreak burrito option with cage free, H&A free chicken.
- ***New Tokyo Joe's Menu Items*** – Spicy tuna rolls and a protein-rich egg bowl.

Ordering is so easy that many children order for themselves. The site will open for orders on August 14, 2016. No need to register if you already have an account.
