

Dear Families,

We're happy to announce that we have partnered again with the EduKit program as an option for busy families to order school supplies for the 2017-18 year. This is convenient and also benefits the school as a fundraiser.

Each "kit" is custom made to match the supply request from the classroom teacher. If you ordered before June 10, your child's supplies will be in the classroom on the first day of school.

[Extended online ordering](#) is still available through EduKit's Last Chance program from **June 11-August 5**. Last Chance orders are subject to an additional fee and will be delivered to your home (not school) shortly before school begins.

Or feel free to purchase supplies yourself! Class school supplies lists are on pages 4-12 of this document.

In addition to the items on those lists (which can be purchased through EduKit or by you at a store), please also include the following items:
