<i>Ship Breaker – Paolo Bacigalupi</i>	<i>Wolf Hollow (Wolk)</i>	<i>Quidditch through the Ages (Whisp)</i>														

What to read?

Public Library: Summer is a great time to get to know your local library. In addition to friendly and knowledgeable librarians, they have digital downloads, makerspaces, a wide variety of genres, and incentive programs for reading. We encourage each student to join their local public library's summer reading program. They may even be ready to get their own library card! Battle of Books options are usually great.
