

WHOLESOME FOOD SERVICES

Wholesome Food Services (WFS) is proud to partner with your school! We have some exciting menu options in the works for the 2017-18 school year.

- Restaurant partners including Wahoo's, Subway, California Pizza Kitchen and Tokyo Joes and **Registered Dietitian** now on staff

New!

Wholesome and Healthy Program

Look for menu items selected by our Registered Dietitian that meet healthy nutrition criteria!

And as always, you can expect:

- School choice menu offering a large variety of delicious lunches
- Local, natural and organic items whenever possible
- Online ordering with secure credit card processing
- Ease of ordering
 - Orders may be placed up to 1 pm the day prior to delivery and up to 60 days in advance
 - Orders may be cancelled up until 8 am the morning of the lunch delivery
- So easy, that many students order lunch for themselves!
- 99.83% order accuracy
- A percentage of lunch revenue given back to your school

**The site is ready for registering and accepting orders
for the upcoming school year.**

Simply select the "Register" button to create a free account.

WFS began as a grass roots effort by volunteer parents who spent years advocating for delicious and nutritious school lunches. Our mission is to provide high quality lunches that kids love and parents appreciate. We partner with select fresh-casual and local restaurants. Your children are top priority and our fresh-casual restaurant partners use only high quality ingredients with delicious choices to please even the most discerning of appetites. The chef-inspired meals are individually prepared and labeled each morning and delivered in time for lunch.
