PLANNING FOR SUCCESS: CREATING AN ENRICHING SUMMER EXPERIENCE FOR YOUR CHILD

FEBRUARY 27, 2014 FROM 5:30 – 7:00 PM

We invite you to join us for our February Parent Educational Event: a discussion with Mary Smid Newman MA, owner of Educational Services, Inc., a business devoted to helping students and families problem solve academic challenges and navigate social skills. Additionally, Educational Services provides tutoring in reading, writing, math, history, science and speech for elementary through high school students. Mary spent eight years working at the Havern School where she helped develop interventions for children based on hands-on activities. Currently, Mary oversees an equine enrichment program that operates out of Happy Dog Ranch, a non-profit facility dedicated to bringing the healing power of animals and humans together.

Please RSVP to Linda at linda@mackintoshacademy.com. (Please Note: Child care will not be available for this event.)
