

# MACKINTOSH ACADEMY LITTLETON

## 2020- 2021 SCHOOL SUPPLIES

Following are the required fees and materials for the 2020-2021 school year by grade level.

As part of our Back To Mack 2020 safety protocols, we will be providing most of the *at-school supplies* for our PK-6th grade students. This is to:

- Maintain high sanitation and student safety standards
- Ensure each student has necessary personal materials with minimal community shared supplies
- Provide ease for transition to possible Mack Flex Learning Plan (remote learning), if that becomes necessary
- Utilize supplies and materials we already have on campus in alignment with our Green Focus, including math manipulatives and literacy components
- Leverage discounts for buying with our school account or in bulk, reducing each family's school supply list costs
- Minimize the need for families to go into stores
- Be able to organize and prepare student personal caddies before school starts

To defray the costs of our individual student supply kits, each family will be assessed a school supply fee, payable through incidental billing in their FACTS account:

- **\$150 Kinder-2nd, supplies including use of school purchased technology (Technology Use Fee - see below)**
- **\$50 PK, 3rd-6th, supplies only**

7th and 8th grade students are encouraged to re-use school supplies. However, we recognize the need for more personalization for this age group who may also be purchasing supplies they can continue to use in high school. There will be no school supply fee for 7th and 8th grade students.

## Technology Use Fee (K-2nd)

To prepare for the possibility of having to transition to our Mack Flex Learning Plan, our kindergarten - 2nd grade students will have *specific technology* to best support their remote learning and video-conferencing.

## At Home Study Space

Please make sure each student has a workspace free from noise/distractions and supplied with writing utensils (pencils, pens, colored pencils, markers), glue, scissors (age-appropriate), a maker's kit (each teachers will give you age-appropriate suggestions), erasers, and paper. ## Technology Guidelines (for In School and Mack Flex Remote Learning needs)

- Signed Mackintosh Technology Usage Agreement (**All students**)
- Reliable internet connection

### PreK

School will work with parents on appropriate technology and support for MackFlex Remote learning on an individual child basis.

### Kinder - 2nd

School will provide an iPad or Chromebook which stays at school and will be sent home during Mack Flex Remote learning.

### 3rd-8th Recommendations - Mac, Windows, Chromebook

- Small footprint (SMALL DESK SPACE at school), *no games, no notifications, no bloatware*
- Holds a battery charge for at least four hours - WE HAVE LIMITED OUTLETS
- Good camera-video capability, at least 4 Gb of memory, Dual Core 2Ghz or Higher (i3/i5/i7 or AMD equivalent)
- Optional, but recommended-* **Touchscreen, Stylus, 2 in 1, Mouse**

❑ **WE HAVE RECEIVED RECOMMENDATIONS TO PURCHASE STUDENT MACHINES IN EARLY JULY in case of shortages due to increased demand and supply issues**

**Suggested Window Options**

- [HP ProBook x360 11 G5/G6 EE Notebook PC](#)
- [ACER TRAVELMATE SPIN](#) (\$329 Acer)
- [Microsoft - Surface Go 2 \\$399](#)

**Suggested Chromebook Options**

- [HP Chromebook x360 11 G3 Education Edition \\$399 + Gumdrops case](#)
- [Acer Chromebook Spin 11 Convertible Laptop \(includes Wacom EMR Pen\) \\$344.79](#)
