

MACKINTOSH ACADEMY LITTLETON

2021- 2022 SCHOOL SUPPLIES

Last year we chose to purchase and distribute school supplies to students once school started. Students, teachers and parents indicated this was a convenient, equitable and environmentally-friendly approach. We have made the decision to continue to purchase the majority of student supplies as a school. Each family will be assessed a school supply fee payable August 1 through incidental billing in their FACTS account:

- **\$150 Kinder-2nd, school supplies including use of school-purchased technology (Technology Use Fee - see below)**
- **\$65 PK, 3rd-8th, school supplies (Technology provided by parent - see below)**

Technology Use Fee (K-2nd)

Our kindergarten - 2nd grade students will have *individually-assigned technology* to best support their learning in the classroom and should they need to transfer to remote learning at any time during the school year.

Necessary Items to Bring to School for All Students

- Personal Mask
- Lunch Box with reusable containers child can open and close (in lieu of plastic bags), utensils, water bottle, thermos for hot food items (no microwave heat ups available.)
